SURGERY UPDATE- Hey !! I want to thank everyone for their prayers, and get well wishes. I am feeling excellent. Surgery was done Tuesday, January 14. All went well, and the doctors actually said it went better than expected (my lipoma was NOT attached to the muscle) That means my recovery time is much less than the 2-3 weeks as originally thought. My wife Jane has been taking real good care of me. I hope to see you at a concert real soon !!!

Randy
